

Curriculum Vitae

Ajda Lemut Furlani

Personal and contact informations:

Name: Ajda

Surname: Lemut Furlani (born Lemut)

E-mail address: ajda.lemut@imfm.si

Education

- Doctoral Programme Mathematics and Physics - subprogramme Mathematics, Faculty of Mathematics and Physics, University of Ljubljana (1. 10. 2023 –)
- Second cycle master's study program of MATHEMATICS, Faculty of Mathematics and Physics, University of Ljubljana (1. 10. 2021 – 11. 9. 2023)
- First cycle university study program of MATHEMATICS, Faculty of Mathematics and Physics, University of Ljubljana (2. 10. 2017 – 13. 9. 2021)
- High school, Srednja šola Veno Pilon Ajdovščina (2. 9. 2013 – 10. 7. 2017)

Employment

- Institute of Mathematics, Physics and Mechanics in Ljubljana (1. 10. 2023 –)

Publications and works submitted for publication

Publications on SCI:

- G. Kudryavtseva, A. Lemut Furlani, The free F -restriction semigroups, *Semigroup Forum* (2026).
- G. Kudryavtseva, A. Lemut Furlani, F -birestriction monoids in enriched signature, *Bull. Malays. Math. Sci. Soc.*, **48**, 212 (2025).
- G. Kudryavtseva, A. Lemut Furlani, A new approach to universal F -inverse monoids in enriched signature, *Results Math.*, **79**, 260 (2024).

Other publications:

- A. Lemut, Pokritja različnih algebrskih struktur, *Matrika*, **8**(1), 13 (2021).

Submitted for publication:

- A. Lemut Furlani, F -congruences on F -inverse monoids, preprint, arXiv:2608.15114v1.

Conferences and seminars

Talks at seminars:

- Algebra and Functional Analysis Seminar at University of Ljubljana, 7. May, 2026.
- Algebra and Functional Analysis Seminar at University of Ljubljana, 5. June, 2025.
- Algebra and Functional Analysis Seminar at University of Ljubljana, 11. April, 2024.

Talks at international conferences:

- International Conference on Semigroups and Applications, University of Manchester, United Kingdom, 14. – 18. September 2026. (*contributed talk: F-congruence on F-inverse monoids*)
- Conference on Theoretical and Computational Algebra 2026, University of Minho, Minho, Portugal, 28. June – 2. July 2026. (*invited talk at a thematic section: The free F-restriction semigroups*)
- Conference on Theoretical and Computational Algebra 2025, University of Évora, Évora, Portugal, 29. June – 3. July 2025. (*invited talk at a thematic section: The solution of the word problem in the free F-birestriction monoid*)
- Algebra and its Role in Computer Science: A Tribute to Mikhail V. Volkov on his 70th Birthday, Faculdade de Ciências da Universidade de Lisboa, Lizbona, Portugals, 26. – 27. June 2025. (*contributed talk: F-restriction monoids in enriched signature*)
- 75th British Mathematical Colloquium, University of Manchester, United Kingdom, 17. – 20. June 2024. (*contributed talk: The structure of the free F-restriction monoid*)
- AAA105 – Workshop on General Algebra (105. Arbeitstagung Allgemeine Algebra), Charles University, Praga, Czech republic, 31. May – 2. June 2024. (*contributed talk: The structure of the free F-restriction monoid*)

Participation in international conferences and meetings without a contribution:

- Semigroups and Automata 2026, University of Ljubljana, Slovenija, 7. – 9. June 2026.
- AAA109 Workshop on General Algebra (109. Arbeitstagung Allgemeine Algebra), University of Ljubljana, Slovenija, 5. – 7. June 2026.
- 36th NBSAN meeting Manchester, United Kingdom, 20. – 21. June 2024.
- Seminar za analizo in algebro Alpe-Jadran (SAAAJ), Zagreb, Croatia, 13. April 2024.

Conference organization:

- Conference on Rings and Factorizations 2027, University of Ljubljana, Slovenija, 12. – 16. July 2027 (*member of organizing committee - upcoming*)
- Semigroups and Automata 2026, University of Ljubljana, Slovenija, 7. – 9. June 2026. (*member of organizing committee*)
- AAA109 Workshop on General Algebra (109. Arbeitstagung Allgemeine Algebra), University of Ljubljana, Slovenija, 5. – 7. June 2026. (*member of organizing committee*)

Teaching at Faculty of Mathematics and Physics, University of Ljubljana

- 2025/26: Linear algebra (exercise classes for undergraduate students of Interdisciplinary University Study Programme Computer Science and Mathematics); Discrete structures (exercise classes for undergraduate students of Financial Mathematics)
- 2024/25: Linear algebra (exercise classes for undergraduate students of Interdisciplinary University Study Programme Computer Science and Mathematics); Discrete structures (exercise classes for undergraduate students of Financial Mathematics)
- 2023/24: Linear algebra (exercise classes for undergraduate students of Interdisciplinary University Study Programme Computer Science and Mathematics);

Languages

- Slovenian: mother tongue
- English: fluent
- French: basic (passed B1 exam in 2016)
